GOOGLE CLASSROOM

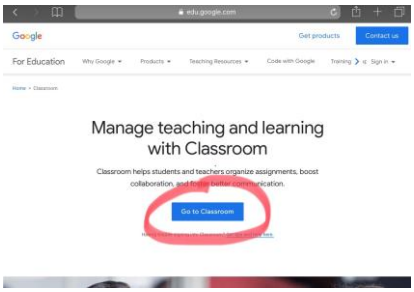
Did you know that Dance Warehouse is more than just an in-studio school? We also have three Google Classrooms for our pupils to access extra resources outside of their classes eg pre-recorded classes and practice videos, ballet exam practice music, information sheets as well as fun activities!

Google classroom is really easy to set up and use. Just follow the step by step instructions below to get started and don't forget to ask us for your access code(s).

FOR PC/ LAPTOP

1) Follow this link: https://edu.google.com/intl/enGB/products/classroom/?modal_active=none

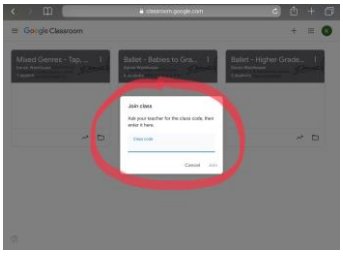
2) Click on the blue box '**Go To Classroom**'



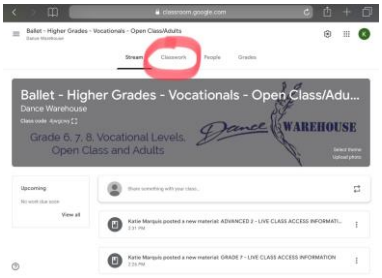
3) Sign in with your Google account email address and password when prompted, or create an account if you don't already have one (free), and press Continue.

4) On the next screen click on the **+** icon in the top right hand corner of the screen.

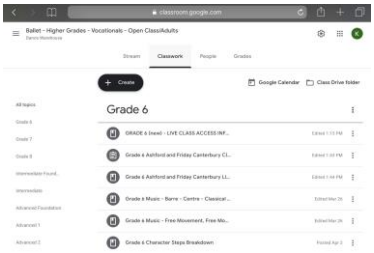
5) Click on **Join Class**. When a box pops up enter the class code we have given you.



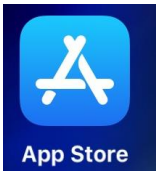
6) You will now be taken to your classroom! Click on **Classwork** at the top of the screen.



7) You will know see a list of each class. Scroll down to see your class(es) and click on the links to see your resources and links to online classes.

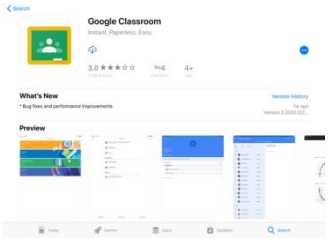


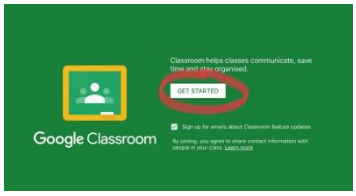
FOR IPAD



1) Go into your App Store and search for **Google Classroom**.

2) When you see this screen, click on **Install** and then **Open.**





3) Click on **GET STARTED.**

This will take you into the app. Then follow steps 4-7 from the PC/laptop instructions above. Please note the **+ icon and Classwork** buttons are on the bottom of the display on the ipad instead of the top of the screen.
